MOUNTAIN HIGH
Tree, Lawn & Landscape Co.

ESTABLISHED 1947
SWINGLE
LAWN, TREE & LANDSCAPE CARE

Supreme Organic Mulch

Sustainable mulch products made from 100% recycled branches and logs

- Uses local Colorado wood waste providing an environmentally sustainable product
- Contains no pallets or construction debris
- Aged and rotated to eliminate tree pathogens
- Mats down so it stays put – does not blow away
- Is consistent in size and color for top dressing year to year

The Benefits of Mulching

- Decreases evaporation rates by as much as 35%
- Provides an insulating layer, protecting roots from extreme high and low temperatures
- Suppresses weed growth and limits competition for necessary nutrients and moisture
- Breaks down into nutritious organic matter, promoting future growth
- A 2-4" layer is one of the most important steps you can take for the health of your trees, plants and shrubs

Pruning your trees

Creating the mulch

The mulch that stays put

2019 Retail Price List

Retail Cost
per Cubic Yard

Natural \$22.00

A blend of mixed woods with uniform consistencies of 1/16"-2".

Screened Natural \$26.00

Our natural mulch is screened to remove most of the smaller particles of dirt, dust and seedlings that could germinate later and produce weeds.

Natural Fines \$20.00

Our finest-textured mulch, rich in organic material and ideal for gardens, containers and annual flower beds. Natural Fines can be turned into the ground each year, improving texture and increasing the organic material in your soil.

Shredded Log Mulch \$22.00

Made from ground logs with pieces 1"-6" in size. Great for large areas and slopes.

Double Shredded Log Mulch \$27.00

Made from logs ground twice to ensure a consistent texture of 1 to 2 inches.

Colored Mulch \$36.00

Made from our screened products, these mulches are dyed with natural, non-toxic colorants. Our Colored Mulch stays vibrant long after others mulches fade, enhancing your landscape for years. Colors include Dark Brown, Black and Dark Red. Other colors are available upon request as special order only.

Dark Brown Fines \$38.00

Our finest-textured mulch, rich in organic material and ideal for gardens, containers and annual flower beds. Dark Brown Fines can be turned into the ground each year, improving texture and increasing the organic material in your soil.

Delivery available to Denver metro area.

Delivery up to 30 yards-\$85.00, 100 Yards-\$210.00, Semi access required.

\$45.00 minimum mulch purchase.

Prices subject to change.
